INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On October 19, 2005, Examiner William Leader and Applicants' representative, Michael Cornelison conducted a telephonic interview to discuss the October 12, 2005 Notice of Allowance. Regarding the Examiner's objection to the oath or declaration, the Examiner admitted that he did not consider the Supplemental Application Data sheet, filed on March 19, 2004 and received by the USPTO on March 22, 2004, which includes the post office address and residence of both inventors, including Gou-Lin Luo. The Examiner stated that he would consider the Supplemental Application Data Sheet for completeness and respond back to the Applicants. Applicants attach a copy of the previously filed Supplemental Application Data Sheet for the Examiner's consideration.

In addition, an agreement was reached that Applicants would resend a copy of the Information Disclosure Statement and PTO Form 1449 forms originally filed for the above-identified application on October 29, 2003, and entered on November 3, 2003 to the USPTO for the Examiner's signature and return. A signed copy of the Information Disclosure Statement was not attached with the Notice of Allowance, and Applicants respectfully request that the Examiner initial, sign and return the signed forms to the Applicants to help complete the record.
